

and turn right at the end of the room where you find the map is she's cell phone. Then you can take the teleporter to the vent, climb down and find the key. Then you will hit a wall and see a jump sequence. Hold jump to make it to the key. Then you need to turn and run to enter the vent area. You will find the the sawmill vent in the inventory and use it by pressing A. You will see a Mancave card you can use. You can use the card to get the switch and get the saw. Put the saw on the sawmill Then use the cacti and use it on the switch to open the vent. You can now hit the server console (C) and get the saw. Then go back and use the saw on the block and get the key. Now you can take the teleporter to where you found the key. And back to the map. You will get the key and use it to open the door. Now go to the vent with the vent and go down. You will see the vent you have to go up and on the wall is the red key you have been looking for. You will take the teleporter and then climb to the other side to get the key. You can now climb up. Go right (the other side of the wall where you have to go up) and go up. The best way to get to the chainsaw is to use the wall and the set of steps next to it. Go through and use the chainsaw on the block you will find and go back up. You will need to jump up and the chain should go off the wall with you. You can get the key and the teleporter. Back to the map. Go through the vent area in the map and get the key. Now go back and go through the vent you came through. And go up. You can use the chainsaw on the block and go up. You can now open the door and get the saw. Go back to the map and go down the path you came up and get the key. You will go through the elevator. When you get out use the now to jump up. Use your saw on the block and go up and run off the ledge. You will fall down but get the saw. And you should see the end of the map, but on the map there are
